ERASMUS MUNDUS JOINT MASTER (EMJM)

European Master in Biological and Chemical Engineering for a Sustainable Bioeconomy (Bioceb)

Institut National des sciences et industries du vivant et de l'environnement (AgroParisTech), public institution with a scientific, cultural and professional vocation, founding member of the Université Paris-Saclay, whose registered office is at 22 place de l'Agronomie, 91123, Palaiseau, France, PIC 999893267, SIRET 130 002 850 00134,

Represented by the President of the Department Life Sciences and Health (Département Sciences de la Vie et Santé – SVS), on behalf of Laurent BUISSON, Dean and Executive Director of AgroParisTech,

As Coordination Institution of the Erasmus Mundus Joint Master (EMJM) - named European Master in Biological and Chemical Engineering for a Sustainable Bioeconomy (Bioceb),

On behalf of the **full Partners of the Bioceb Consortium and members of the Bioceb Board**, formed by the following universities:

- Institut national des sciences et industries du vivant et de l'environnement (AgroParisTech) / Université Paris-Saclay, FRANCE
- Aalto University (Aalto), FINLAND
- Tallinn University of Technology (TalTech), ESTONIA
- Université de Liège (ULiège) / Gembloux Agro-Bio Tech, BELGIUM
- Université de Reims Champagne-Ardenne (URCA), FRANCE

hereinafter referred to as “**Bioceb**”, of the one part, and

Family Name: _____

First name: _____

Date of birth: _____

Place of birth: _____

Nationality: _____

Student's country of residence at enrolment stage (“stable residence in the months before enrolment”): _____

hereinafter referred to as “**the Student**”, of the other part,

HAVE AGREED to the following terms and conditions:

Certificate of Honour prior to admission to Bioceb

The Student certifies on his/her honour:

☐ I certify that I meet all the eligibility requirements listed on the Bioceb website¹, and in particular:

- I hold a Bachelor of Science (BSc) or equivalent degree of at least 180 ECTS - giving access to a second-cycle Master's level Degree in my country - in engineering or science, including a very strong background in at least one discipline related to biology: biotechnology, biochemistry, microbiology, biophysics, bioprocess engineering, molecular biology
- I provided an eligible proof of English, B2 advanced level, according to the Common European Framework of Reference for Languages (CEFR)

☐ I certify that the information provided during my application and registration is authentic.

☐ I commit to reimbursing the financial support in case of fraud or false declaration;

☐ I commit to answering the surveys/evaluations sent by the Bioceb Board, Secretariat, universities or staff.

☐ I commit to answering the EMJM/ European Education and Culture Executive Agency (EACEA)/ European Commission (EC) surveys/evaluations

☐ I have read and understood the modalities for becoming a member of the Erasmus Mundus Students and Alumni Association (EMA)²

☐ I commit to informing the Bioceb Secretariat as soon as possible of any events or circumstances likely to affect the Student's Agreement

☐ I authorise Bioceb to use photographs, audio/video recordings and images for communication, dissemination and educational purposes connected to EMJM Bioceb

☐ I authorise the use of my personal data for activities related to the EMJM Bioceb

☐ I commit to acknowledge the European Union funding in my Master's thesis and in any publication resulting from my participation in the EMJM Bioceb. This is to comply with the new Erasmus+ visual identity³ and requires the inclusion of the following disclaimer:
Funded by the European Union. Views and opinions expressed are however those of the

¹ <https://www.bioceb.eu/Selection-procedure-13.html> and <https://www.bioceb.eu/Application-procedure.html>

² <https://www.em-a.eu/>

³ https://www.eacea.ec.europa.eu/grants/visual-identity/visual-identity-programming-period-2021-2027/european-flag-emblem-and-multilingual-disclaimer_en

author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Full details about EMJM-specific conditions can be found in the ERASMUS+ Programme Guide 2025, section EMJM ⁴.

⁴ <https://erasmus-plus.ec.europa.eu/document/erasmus-programme-guide-2025-version-2>

1. Mobility requirements and assigned study track

Bioceb is a two-year, integrated EMJM jointly designed and delivered by the Consortium partners. The full list of courses is available on the website⁵.

- 1.1. EMJM includes compulsory physical mobility periods for all enrolled students (EMJM scholarship-holders or not), consisting of a minimum of:
- **two study periods** (1 study period = 1 semester = 30 ECTS credits),
 - **in two countries**,
 - which must be **different from the country of residence of the student at enrolment stage** ("stable residence in the months before enrolment").

Compulsory mobility periods cannot be replaced by virtual mobility (but other periods can). All study periods must take place in Bioceb universities or under their direct supervision.

- 1.2. The following study tracks and physical mobility periods can be offered to the students. More details can be found on the Bioceb website⁶.

⁵ <https://www.bioceb.eu/Course-Content-34.html>

⁶ <https://www.bioceb.eu/Course-Content-34.html>

1.3. The number of students that can be accepted into Bioceb universities/tracks is limited due to logistical and human resource constraints.

1.4. The following study track is assigned to the Student by the Bioceb Board:

Study track 1 ☐ Study track 2 ☐ Study track 3 ☐ Study track 4 ☐ Study track 5 ☐

- **1st semester (S1):**

☐ University of Reims Champagne-Ardenne (URCA), FRANCE

- **2nd Semester (S2):**

☐ National Institute of Technology for Life, Food, and Environmental sciences (AgroParisTech) / Université Paris-Saclay (UPSaclay), FRANCE

☐ Tallinn University of Technology (TalTech), ESTONIA

- **3rd Semester (S3):**

☐ University of Liège (ULiège) / Gembloux Agro-Bio Tech, BELGIUM

☐ Aalto University (Aalto), FINLAND

☐ National Institute of Technology for Life, Food, and Environmental sciences (AgroParisTech) / Université Paris Saclay (UPSaclay), FRANCE

- **4th semester (S4):**

Master's thesis, which can take place worldwide, approved by the Bioceb Secretariat and under the direct supervision of:

☐ University of Liège (ULiège) / Gembloux Agro-Bio Tech, BELGIUM

☐ Aalto University (Aalto), FINLAND

☐ National Institute of Technology for Life, Food, and Environmental sciences (AgroParisTech) / Université Paris-Saclay (UPSaclay), FRANCE

2. Payment of the participation costs

2.1. The Student is admitted as a self-funded or externally funded Student (non-scholarship holder). The Student shall pay the participation costs of the EMJM Bioceb:

	Amount of participation costs per year	Total amount of participation costs
Students from EU Member States and Third Countries associated to the programme⁷	€4,500 <i>four thousand, five hundred euros</i>	€9,000 <i>nine thousand euros</i>

⁷ <https://erasmus-plus.ec.europa.eu/programme-guide/part-a/eligible-countries>

Students from Third Countries not associated to the programme⁸	€9,000 <i>nine thousand euros</i>	€18,000 <i>eighteen thousand euros</i>
--	---	--

The participation costs include:

- Tuition fees and enrolment in three Universities according to the assigned study track, other training costs, academic services, access to laboratories, experimental work and participation in local mandatory events related to Bioceb
- Full private insurance coverage, paid by Bioceb and provided by EMSP/Marsh insurance⁹, according to the Minimum Requirements for the health and accident insurance coverage provided under EMJM. The coverage will take effect from when the Student starts his/her journey to participate in the master course (maximum two months before the start of the master course) and until at least two months after the end of the studies (end of the course, unless the Student leaves earlier).
- Induction Week (except for the accommodation and transportation costs of the students)
- Summer School in Estonia (except for the transportation costs of the students to reach Estonia)
- Graduation Ceremony (except for the accommodation and transportation costs of the students and graduates)
- Other pedagogical activities related to the student participation in the programme (study trips, travel, conferences, etc.)
- Project Manager and Administrative Assistance at each university

The participation costs do not include:

- Living expenses (including during Induction Week and Summer School), such as books, local transportation, local mandatory Students' taxes (e.g.: CVEC in France) and registration to a students' union (e.g.: mandatory in Finland)
- Travel costs to reach Reims and within Europe
- Visa and residence permit costs

2.2. Payment of participation costs shall be made according to the following schedule:

- **Students from EU Member States and Third Countries associated to the programme:**

Deposit by May 1 st 2026	€ 1,000
First installment by September 30 th 2026	€ 1,500
Second installment by January 31 st 2027	€ 2,000
Third installment by September 30 th 2027	€ 2,250

⁸ <https://erasmus-plus.ec.europa.eu/programme-guide/part-a/eligible-countries>

⁹ <https://www.marshsat.com/msatpublic/emsp/homepage>

Fourth installment by January 31 st 2028	€ 2,250
---	---------

- **Students from Third Countries not associated to the programme:**

Deposit by May 1 st 2026	€ 1,000
First installment by September 30 th 2026	€ 3,500
Second installment by January 31 st 2027	€ 4,500
Third installment by September 30 th 2027	€ 4,500
Fourth installment by January 31 st 2028	€ 4,500

- 2.3.** Payments shall be made by bank transfer to AgroParisTech's bank account, in accordance with the bank details indicated in Annex 1.
- 2.4.** In order for the admission as a self-funded or externally funded Student to be validated, the Student shall provide a deposit of €1,000, then send proof of payment to the Bioceb Secretariat. The letter of admission will only be issued once the transfer has been confirmed. The deposit will not be refunded under any circumstances. The only exception to reimbursement is if the programme is not offered due to an insufficient number of students being admitted.
- 2.5.** The Student may submit a written request to the Bioceb Secretariat, providing justification, for a more spread-out payment schedule for the participation costs. If the request is approved, the Student will be notified. Until the Student receives a favorable response, or in the absence of a favorable response, the Student remains obligated to pay according to the schedule established in the student's agreement.
- 2.6.** The self-funded or externally-funded/sponsored Student shall complete the declaration of honour (Annex 2) in which he/she commits to pay the participation costs and provide a viable funding plan together with all necessary supporting documents.
- 2.7.** The Student acknowledges that he/she will be responsible for the living expenses for the entire duration of his/her participation in the EMJM Bioceb, in accordance with the assigned mobility track, as well as travel and transportation expenses when mobility is necessary. Bioceb shall not cover the above-mentioned expenses in the event of insufficient funds.

3. Contribution to individual needs of students with disabilities

- 3.1.** Provided the Student fulfils the general eligibility conditions, the contribution for individual needs¹⁰ can be used for an enrolled Student (with or without a scholarship) who meets the cumulative conditions listed below:

¹⁰ <https://erasmus-plus.ec.europa.eu/opportunities/opportunities-for-individuals/students/students-and-staff-with-physical-mental-or-health-related-conditions>

- with disabilities (e.g., long-term physical, mental, intellectual or sensory impairments)
- certified by a competent national authority
- of such nature that his/her participation in the action would not be possible without the special needs items or services
- such as those related to the acquisition of special items or services (e.g., assistance by third persons, adaptation of work environment, additional travel/transportation costs)
- the special needs items or services are not already covered from another source (such as social security or health insurance)
- the number of units declared corresponds to the number of special needs units that were needed for implementing the action

3.2. The support to cover such individual needs of an enrolled Student, will take the form of the following special needs unit costs:

- (a) €3,000
- (b) €4,500
- (c) €6,000
- (d) €9,500
- (e) €13,000
- (f) €18,500
- (g) €27,500
- (h) €35,500
- (i) €47,500
- (j) €60,000

3.3. Calculation of the unit cost contribution per student:

- Enrolled students will declare what type of items/services are needed and their cost.
- The student will provide a declaration with an estimation of costs and Certification by a competent national authority of the long-term impairment of the concerned student.
- The applicable unit cost will be identified as the rate corresponding to or immediately lower than the estimated expenses.
- This unit cost is a contribution, and is not intended to fully cover the actual costs.
- Costs below the lowest rate (i.e., less than €3,000) will not be eligible for additional support and will have to be covered by Bioceb funds or by other funding sources of the Bioceb universities.

3.4. The unit costs will take the form of a monthly unit contribution, calculated as follows: {special needs unit x (1/number of months)}. The number of months in the formula above shall correspond to the number of months the special needs items or services were used or produced for implementing the action, depending on the nature of the items or services. For one-off costs, the number of months shall correspond to 1.

4. Studies

4.1. Relevant information concerning the structure, organisation, grading system, rules and course content of the EMJM Bioceb is published on the Bioceb website¹¹ and forms an integral part of this Student's Agreement. Courses are taught in English. All partners offer local language and culture courses.

4.2. The following rules shall apply:

- ECTS are awarded upon successful completion of a course-unit, in accordance with the local regulations of the host university. Failed courses must be retaken according to the host university's re-sit regulations
- The Student shall acquire mandatory 120 ECTS credits corresponding to the mandatory course-unit of the curriculum. In order to enter in the second year of the programme, 60 ECTS of the programme have to be validated at the end of the first year.
- No optional ECTS can be required, even though some can be offered if the Student participates in optional activities. Such optional ECTS shall not compensate for mandatory ECTS.
- Student shall validate each course-unit (no compensation possible among different course-units) in order to finalise the programme and obtain the master's degrees.
- Retakes shall be organised as often as possible in the initial exam-taking university. If impossible and/or in order to limit travel costs for the Student, the following university may offer the opportunity to organise the re-sit in its premises according to the previous university's rules.
- The Board shall evaluate case by case any exceptional situations.
- Conversion of national grades:

ECTS grade	Definition	Corresponding grades			
		France	Belgium	Estonia	Finland
A	EXCELLENT outstanding performance with no errors	16-20	18-20	5	5
B	VERY GOOD above the average standard but with some minor errors	15-15,99	16-17	4	4
C	GOOD above the average standard but with a number of notable errors	13-14,99	14-15	3	3
D	SATISFACTORY fair but with significant shortcomings	11-12,99	11-13	2	2
E	SUFFICIENT-PASSING performance meets the minimum criteria	10 - 10,99	10	1	1

4.3. In addition, the Student shall follow the rules in place in each of the Bioceb universities in which he/she is enrolled, following the assigned study track. Each Bioceb university shall provide the Student with the relevant rules.

¹¹ <https://www.bioceb.eu/Course-Content-34.html>

- 4.4. Bioceb has a zero-tolerance policy on plagiarism. All violations are reported to the Coordinator and dealt with in accordance with the Bioceb Universities' local rules.
- 4.5. The Bioceb Universities shall use their best efforts to offer Student with teaching, supervision, assessment and support services of a professional standard.
- 4.6. At the end of the EMJM Bioceb, provided that the Student has successfully met the requirements and obtained 120 ECTS, he/she will receive three national master's degrees awarded by the Universities in which he/she studied, according to his/her study track.
- 4.7. Full payment of the participation costs is mandatory in order to be awarded the degrees/diplomas issued at the end of the EMJM Bioceb. In the event of incomplete payment of the participation costs, and until the total amount has been recovered by AgroParisTech, the Student will not receive his/her diplomas, even if the Student has completed the entire EMJM Bioceb.
- 4.8. Degrees awarded to all graduates:
- **Master in Biology AgroSciences (BAS)**¹², issued by the University of Reims Champagne-Ardenne (URCA);
 - **Bioceb Diploma**, issued by AgroParisTech: a French institution's diploma (*diplôme d'établissement*), which includes the logos of the Bioceb partner universities;
 - **Bioceb Diploma Supplement**, issued by AgroParisTech: it encapsulates the joint nature ("jointness") of the programme, the individual mobility experience of each student, details of the qualifications obtained, and a full transcript of all ECTS credits earned throughout the master's course.
- 4.9. Degrees awarded depending on the graduates' study track (2 Degrees awarded out of the 4):
- **Master Biology AgroSciences**, study track Biomass Engineering for Bioeconomy (BEB)¹³, delivered by Université Paris-Saclay (UPSaclay), operated by AgroParisTech;
 - **Master of Science (Technology)**¹⁴, issued by Aalto University;
 - **Master of Science in Engineering, Technology of Wood, Plastic and Textiles**¹⁵, issued by Tallinn University of Technology (TalTech), Estonia;

¹² https://www.univ-reims.fr/formation/catalogue-de-formation/master-biologie-agrosciences.23515.38949.html?args=R9qFsCnMmKDtCa17YTDkHVqabfYRXwwTnCVt2witCDUiVoUdkeMDp%2AXGEGm2SMlhvMbuZ3_kOrRxvJlk6dOorIryuNioRCyFFyPAvhl9tCdwYdtHRwAvNC1tDg_H&formation_id=1318

- **Master: Bioingénieur en chimie et bioindustries**, à finalité (Master in Bioengineering: Chemistry and Bio-industries, professional focus)¹⁶, issued by the University of Liège (ULiège).

5. Attendance

- 5.1.** EMJM Bioceb has a duration of two academic years, beginning with the Bioceb Induction Week at URCA and ending at the Graduation ceremony. Attendance at Bioceb Induction Week is compulsory as it is part of the academic programme. The Student shall attend courses in at least three of the Bioceb universities, according to the study track assigned to the Student in Article 1. The Student shall duly attend the academic programme: all scheduled academic activities (lectures, practical sessions, guest lecturers' seminars, visits, field trips, internships, etc.), all examinations and required assessments.
- 5.2.** The Student commits to:
- provide a copy of his/her visa
 - provide a copy of his/her boarding passes, train tickets, or any other proof of transport
 - sign the attendance sheet for the induction week and at all events where this is requested
 - complete his/her enrolment procedures at each host institution and submit all required documentation on time
 - provide the "certificate of arrival" to be signed upon arrival at each university
 - provide the "certificate of departure" to be signed before departure at each university
 - provide a certificate of arrival and certificate of completion of the M2 internship/master's thesis signed by the host institution and the Student
 - provide any other documents requested by the Bioceb Secretariat
 - maintain active communication with the Bioceb Secretariat and respond promptly to official enquiries throughout the entire duration of the Master's programme.
 - inform Bioceb immediately of any interruption in attendance
- 5.3.** The Student shall enrol on a full-time basis, without undertaking any occupation with a regular salary in parallel to the studies of Bioceb.
- 5.4.** The Student shall follow the rules for attendance and discipline in place in each of the Bioceb universities in which he/she is enrolled, following the assigned study track. Each Bioceb university shall provide the Student with the relevant rules.

¹⁶ https://www.gembloux.uliege.be/cms/c_4276329/en/gembloux-master-s-degree-in-bioscience-engineering-chemistry-and-bio-industries

- 5.5. The Student shall obtain his/her residence permit from the national and local authorities upon his/her arrival in the host country if required.
- 5.6. To be admitted to the following semester, the Students shall pass all compulsory examinations. The Student can be conditionally admitted to the following semester even if he/she has failed one exam, which must be re-sat and passed within the following semester. The Bioceb Board will evaluate case-by-case any exceptional situations.
- 5.7. The Student may only leave the host institution during official academic holidays established by the host institution.
- 5.8. Unjustified absences are not accepted and may impact the Student's results and/or standing within Bioceb.
- 5.9. The Student can be authorised by the Bioceb Board to temporarily leave the EMJM Bioceb for duly justified and well-documented reasons. Such cases relate to medical reasons and/or serious family reasons (e.g., need to temporarily take care of a close family member or hospitalisation/death of a family member). In this case, the Student shall send a written request to the Bioceb Secretariat explaining the reasons for the interruption of studies. The Bioceb Board may summon the Student to an interview (in person or via video conference) and request additional information/documents to clarify the situation. The Bioceb Board will evaluate requests on a case-by-case basis and will inform the Student of any conditions and consequences of the interruption of studies.
- 5.10. If the Student is not able to follow the academic programme and successfully meet the EMJM Bioceb requirements within the 24 months of his/her edition due to the reasons mentioned above, then, upon written request from the Student addressed to the Bioceb Secretariat, the Bioceb Board will make its best efforts find acceptable ways to allow the Student to finish the EMJM Bioceb within one of the following editions. The extension cannot exceed 12 months.
- 5.11. In the case that the Student, for duly motivated reasons, does not finish the Master's thesis within the current academic year, the Bioceb Board can grant an extension, upon written request from the student. To obtain all three degrees, students must re-enrol at the three universities of his/her study track and pay the required tuition fees directly to each of them.
- 5.12. The Student shall behave ethically during his/her studies. He/she shall not act fraudulently, and shall especially not cheat, falsify or plagiarise any academic work. Moreover, he/she shall not abuse or misuse the access to equipment and installations and shall not engage in unauthorised access or violate local, university or institutional regulations. Any incident contrary to this Agreement shall be addressed by the Bioceb Board and may result in the student's exclusion from the EMJM Bioceb. The student

may also be subject to disciplinary procedures in accordance with the rules of the Bioceb University.

6. Exclusion

6.1. The Student may be excluded from the EMJM Bioceb, in the case that:

- The Student provides false or misleading information,
- despite several reminders from Bioceb, the Student has not paid the participation costs and has not informed the Bioceb Secretariat in advance of his/her financial difficulties and possible payment delays,
- the Student is unable to pay for his/her living and transport expenses and is unable to attend the EMJM Bioceb,
- Bioceb universities notice non-attendance to courses (lectures, practical sessions, field trips, informative and official meetings...) that the Student cannot justify with medical certificates, for which permission has not been granted by the Bioceb staff (to ensure permission, the Student shall ask in advance),
- Bioceb universities notices a persistent lack of communication or failure to respond to official requests,
- the Student fails to validate a semester of study,
- the Student is the subject of disciplinary measures leading to his/her exclusion from the Bioceb Universities,
- the Student is the subject of legal prosecutions that prevent him/her from attending Bioceb,
- the Student withdraws from the EMJM Bioceb, on his/her own decision or by force majeure.

6.2. In case of exclusion from the EMJM Bioceb, if the Student wishes to complete the national degree course at the university in which he/she is currently studying, the local rules will apply (in particular the appeal procedure, if existing).

6.3. The Student who is expelled have 10 days to appeal to the Bioceb Board.

7. Modification of the Agreement and dispute resolution conditions

7.1. Any alteration to the present Agreement must be communicated in writing. All alterations to the initial situation must be immediately communicated by the Student to the Bioceb Secretariat and the Bioceb Coordinator. Upon mutual agreement of contractual modifications, Bioceb will issue an addendum to the present Agreement.

7.2. In the event of a complaint, the Student may appeal to the Bioceb Board by sending within 10 days a written statement to the Bioceb Secretariat explaining the reasons for the appeal. The Bioceb Board will examine the appeal and make its best efforts to resolve it within one month. The Bioceb Board may summon the Student to an interview

(in person or via video conference) and request additional information/documents to clarify the situation. However, for any complaint specifically concerning a Bioceb university in which the Student is enrolled, appeals to the Bioceb Board will be ineligible. The Student must invoke the internal complaint procedure of that university, following the official rules of that university.

- 7.3. Bioceb is exonerated from any responsibility for accidents, illnesses, injuries, losses or damages to persons or goods resulting from or in any way related to the activities that are the object of the present Agreement. The Student is obliged to accept the necessary insurance related to the activities for the full duration of the study period.
- 7.4. This Agreement is valid until the end of the student's second academic year unless terminated earlier.
- 7.5. In case of disagreement between the Student and Bioceb, the French courts shall be designated as the sole competent authorities to resolve any legal dispute between Bioceb and the student arising from the contract. The present Agreement shall be governed by French law.

ANNEX 2 – Declaration of honor for self-funded or externally funded Student (Non-scholarship holder)

I, the undersigned,

FAMILY NAME, first name: _____

☐ certify that I have the necessary funds to pursue the EMJM Bioceb and pay the living expenses, travel/ transportation expenses, and participation costs as stated in the Student's Agreement.

☐ acknowledge that Bioceb shall not cover the above-mentioned expenses in the event of insufficient funds.

☐ certify that I have a viable funding plan, as described below:

Personal savings or family contribution <i>Supporting documents: Letter(s) of Intent</i>	€
Loan <i>Supporting documents: proof of the loan application</i>	€
Expected income from internships/summer jobs <i>With relevant supporting documents</i>	€
Sponsorship / Scholarship (specify the name(s)) <i>Supporting documents: proof of application for or award of a scholarship/sponsorship</i>	€
Other <i>With relevant supporting documents</i>	€
TOTAL	€

☐ acknowledge that, as a self-funded student, I am not eligible for an EMJM scholarship

☐ acknowledge that for my admission to be validated and my letter of admission to be issued, I shall provide my funding plan, a non-refundable deposit of €1,000, then send proof of payment to the Bioceb secretariat according to Article 2 of the Student's Agreement.

☐ commit to pay the full amount of the participation costs according to the deadlines and procedure defined in the Student's Agreement.

☐ undertake to attend diligently all compulsory courses/projects/field-trips, etc. of my study track, intending to successfully complete all assessments/ examinations and to validate the EMJM Bioceb.
